Dear Friends,

We need your help to keep AYP - our friendly, healing community for us all to continue to meet in Yoga! As you may know, the French courts have recently decided that 100% of the covid rents must be paid despite the almost 12 months of closure due (plus the months of curfew). In order to help us we are offering this exceptional exchange to be able to settle the rent debt.

We really hope a number of you will be able to help out!

Yours in yoga,

Linda, Gérald and the whole AYP team

PS: If you still wish to help with a smaller amount, one of our students have started a crowd funding, this is the link:
